In this document, you find examples of copyright infringement & Identify theft. And a print screen of documents that shows I am the owner of the company MOI Online which owns the domain name and website Revfine.com.

Below you find all necessary information for a request to remove all content on [jisaiche.com](https://www.jisaiche.com).

Table of Content

1. Introduction of the case
2. What we already did
3. My request
4. Examples to showcase the website; personal and business information is copied
5. Prove I am the business owner of MOI Online & Revfine.com and owner of the domain name Revfine.com
6. Our Contact Details

1. Introduction of The Case

I am Martijn Barten, owner of MOI Online and the domain name and website of Revfine.com (<https://www.revfine.com/about/>).

I want to inform you that the URL [jisaiche.com](https://www.jisaiche.com) have copied all content of our website Revfine.com and pretend to be me, including my company name, personal information and business details.

As you understand the copyright infringement and Identify theft causes business damage and personal harm.

We learned the fraudulent content on [jisaiche.com](https://www.jisaiche.com) is hosted by Google LLC; please see below for my details:

Organization name: Google Cloud (asia-east1)

IP address: 35.229.232.99

AS(autonomous system) number and organization: AS396982 Google LLC

AS name: GOOGLE-PRIVATE-CLOUD

Reverse DNS of the IP: 99.232.229.35.bc.googleusercontent.com

City: Taipei

Country: Taiwan

2. What We Already Did

A: Try to contact the webmaster

Since the registrants of the domain name [jisaiche.com](https://www.jisaiche.com) have fraudulent intentions, have no contact details on their website and use the PrivacyGuardian functionality, it is impossible to reach them

directly. Also, since jsaiche.com copies all content of our website, all contact information is our contact details.

B: Contacted the domain registrar

We contacted the domain registrar where the domain name jsaiche.com is registered. They respond that they can not help us because they cannot validate or control the content posted on the site. They refer us to the hosting company where the content of jsaiche.com is published. In this case, Google Cloud.

3. My Request

As you understand the copyright infringement and Identify theft causes business damage and personal harm.

We have put a lot of effort to prove that we are the owner of MOI Online/ Revfine.com, the owner of the domain name Revfine.com and showed that jsaiche.com had copied our entire website content, including personal and business information.

Since Google Cloud is the hosting company of the content on jsaiche.com, we request to remove all content on jsaiche.com

4. Examples to Showcase The Website; Personal and Business Information is Copied

The whole website is copied. Below you find **3 examples**:

Martijn Barten

Hi, I am Martijn, the founder of Revfine.com. I am specialised in optimising revenue by combining revenue management with marketing strategies. I have more than 15 years of experience in developing, implementing and managing revenue management and marketing strategies and processes for individual properties and multi-properties.

In 2017, I launched Revfine.com. Revfine stands for refining revenue. Revfine.com started as a personal blog where I shared my knowledge, experiences and presented upcoming trends and technologies. Since the launch, Revfine.com grew exponentially and turned into a platform for the hotel, hospitality and travel industry.

Now Professionals from all over the world use our marketing, revenue management, technology and software insights, strategies and actionable tips to get inspired, optimise revenue, innovate processes and improve customer experience.
